

Laugh & learn – calling all O-25yo riders!

For Horsemasters @ New Plymouth Pony Club

Expression of interest needed by Friday 5 August 2022 please

Horsemasters is a group of adult riders within pony club looking to improve confidence, gain experience and have fun! It's very RELAXED. No need for nerves!

Rallies begin in September / Oct and will consist of flat work, poles and/or jumping, the occasional fun ride, hopefully equitation classes, and best of all, a competition doing some team moves to music. There will be around 8-10 rallies a year held on weekends and public holidays at the NPPC grounds at New Plymouth Racecourse. Groups will be small, and membership is limited to 18 people. We'll self-cater for a cuppa or a beer afterwards. 😊

Subs are \$155 (season August 2022 to April 2023. FREE access to the NPPC grounds = worth \$120 per year = is included.)
